

Experience the Advantages of Working with an **EXECUTIVE.**

Dear Friends and Clients,

After serving the real estate needs of my friends, family, and clients for the last 28 years, I (Sharon) have decided to retire from real estate to enjoy life with my husband, children, and seven grandchildren. Over the last three years, my back issues and surgery have made extensive time on the road showing properties difficult and painful. This has made it necessary to transition all client representation to Rick Dobbles, my trusted partner for over five years. My decision to retire comes with mixed feelings, but I know it is the right time. In addition, Howie and I moved to Sun City Grand in late 2010, making it even more difficult to service the Northeast Valley and the needs of all our clients living there.

Although you can expect some changes in our marketing materials in the near future, Rick and Jackie Young will still provide the same high level of service that you have come to expect from **The Berg-Dobbles Team**. I am grateful and completely confident that the real estate needs of my friends and past clients will be handled with the same passion and commitment that we did for many, many years. The transactions handled by Rick and Jackie over the last 5+ years have already proven this to be an excellent decision.

Most of all, I want to thank all of YOU, our loyal clients and friends, for all the love and support you have given to me and **The Berg-Dobbles Team** over the years. Our business has been successful throughout these challenging times over the past several years and we could not have endured without all of your support.

In conclusion, please remember that our business is dependent upon your personal business and upon referrals from all our clients and friends. If you know of someone who is in need of assistance with real estate, don't hesitate to give them our contact information. **The Berg-Dobbles Team** pledges to give them the same level of "service you can trust" that we have given to you over the years.

Sincerely,

A handwritten signature in cursive script that reads "Sharon Rick Jackie".
